NEW SCHOLAR AGREEMENT

Scholarship Award Details

Greenhouse Scholars is a 'last dollar' scholarship, meaning we provide scholarship dollars when a family's expected family contribution (EFC), financial aid package total, and other scholarships are less than your total cost of attendance - resulting in unmet financial need. By total cost of attendance, we include your tuition, room & board, books, travel, housing, etc.

Our need-based, gap-filling award is up to \$5,000 per academic year. Every Scholar receives a different amount based on their circumstances and specific unmet need, and amounts are recalculated every July for the four years a Scholar is eligible. If you are not enrolled in school, you will not receive the scholarship award.

If you are continuing your education with a Master's in tandem with your [Bachelor's](#) and are within the scholarship eligibility window, your Scholarship Award may be applied towards your graduate classes.

In June, we will email you a survey requesting information and documentation for our scholarship award calculations. Once we have received and reviewed your information, we will calculate your individual award [in order to](#) send checks to your college in early August for the first semester and December for the second semester. If your college's timing is outside of this general timing, we will work with you on an individual basis.

Please indicate whether you understand the above:

- ☐ I [understand](#)
- ☐ I have some questions and I will follow up with Greenhouse Scholars [staff](#)

I expressly assume [any and all](#) known and unknown risks of injury, death, or loss associated with my participation in any Greenhouse Scholars event. I understand and agree that this Release means that if I am injured, die, or suffer loss [as a result of](#) my participation at any event, I and/or my family, estate, personal representatives, or heirs cannot under any circumstances sue Releasees or any of them for damages relating to or caused by my injuries, death, or loss.
