University of Colorado - Anschutz	minimum GPA based on year and course of study	N/A	credit hours - official transcript	3 measures when evaluating Satisfactory Academic Progress. The measures include grade point average (GPA), course completion rate (pace), and maximum time frame. The number of credits you attempt in your time as a student is also measured. To be in good standing, you must complete a degree or certificate prior to attempting 150% of the credits needed for the program. Letter grades of A through D-, P (passing) and IP grades contribute positively to a student's completion rate. Letter grades of F, W, I and IW contribute negatively to a student's completion rate. Repeated courses and credits transferred to the university both count towards a student's completion rate. If you take a course and receive a grade higher than an "F", you may receive financial aid to retake the course one time. If you take a passed course a third time, the course will not count towards your enrollment for financial aid. Undergraduates must maintain a minimum cumulative GPA of a 2.0. First year Masters of Physician Assistant Studies students must maintain a cumulative GPA of a 2.8. Second and third year students must maintain at least a passing cumulative grade. Dental students must maintain a minimum cumulative GPA of between 2.3 and 3.0, depending on their program. Pharmacy students must maintain a minimum cumulative GPA of a 2.0.
