

# High School Support Services Program Program Components Template 2025-2026 Distribution Cycle

The High School Support Services Program aims to increase postsecondary preparedness and enrollment for low-income Denver high school students. The Prosperity Denver Fund will invest in programs providing support services that align with the program components and the goal.

## Program Components

Academic Planning and Support  
Career and Postsecondary Exploration  
Family Engagement and Partnership  
Financial Support and Resources  
Individualized Guidance/Mentorship  
Postsecondary Preparation and Enrollment  
Novell or Innovative Support Services (optional)

## Instructions

- The template is for preparation purposes only. Your final responses should be submitted via the online submission platform.
- Provide a summary of the services the program provided for each program component. Include the services offered, the metrics used to track progress, and the outcomes achieved.
  - *Limit the summary to 100 words or less.*
  - *When choosing a program component, select the one that most accurately reflects the service provided, keeping in mind that some overlap may occur.*
- If the program partners with an organization to fulfill the program component, please describe the partnership and the support provided.
- Review the Program Component Guide for a description of the program components and examples of services.
- Refer to the HSSSP rubric for the evaluation criteria relevant to this application section.
- Full applications for Fall 2025 must be submitted by September 22, 2025, to be considered for funding. Incomplete or late submissions will not be accepted.

## Program Component: Academic Planning and Support

**Description:** Preparing students for high school graduation and career and postsecondary success through academic enrichment, skills development, and comprehensive support.

- **Services:** List the programming and strategies provided to support this component.
- **Summary:** Please provide a summary that includes the service delivered, the metric used to track progress, and the outcome.
  - If the program fulfills this component through a partnership, please detail the partnership and the support provided.
  - If the program is not providing (or partnering) support for this program component, please note it as “non-applicable.”

Services	Summary

---

## Program Component: Career and Postsecondary Exploration

**Description:** Empowering students to discover their passions and potential by aligning interests, strengths, and values with fulfilling career and postsecondary pathways.

- **Services:** List the programming and strategies provided to support this component.
- **Summary:** Please provide a summary that includes the service delivered, the metric used to track progress, and the outcome.
  - If the program fulfills this component through a partnership, please detail the partnership and the support provided.
  - If the program is not providing (or partnering) support for this program component, please note it as “non-applicable”.

Services	Summary

---

## Program Component: Family Engagement and Partnership

**Description:** Equipping families with information and resources to become active partners in their student's career and postsecondary journey.

- **Services:** List the programming and strategies provided to support this component.
- **Summary:** Please provide a summary that includes the service delivered, the metric used to track progress, and the outcome.

- If the program fulfills this component through a partnership, please detail the partnership and the support provided.
- If the program is not providing (or partnering) support for this program component, please note it as “non-applicable”.

Services	Summary

### Program Component: Financial Supports and Resources

**Description:** Foster financial literacy, understanding of postsecondary costs, and financial aid options to make informed decisions about career and postsecondary paths.

- **Services:** List the programming and strategies provided to support this component.
- **Summary:** Please provide a summary that includes the service delivered, the metric used to track progress, and the outcome.
  - If the program fulfills this component through a partnership, please detail the partnership and the support provided.
  - If the program is not providing (or partnering) support for this program component, please note it as “non-applicable”.

Services	Summary

### Program Component: Individualized Guidance/Mentorship

**Description:** Individualized support to address students' academic, social, and emotional well-being and equip them with the skills to overcome challenges and achieve their full potential.

- **Services:** List the programming and strategies provided to support this component.
- **Summary:** Please provide a summary that includes the service delivered, the metric used to track progress, and the outcome.
  - If the program fulfills this component through a partnership, please detail the partnership and the support provided.
  - If the program is not providing (or partnering) support for this program component, please note it as “non-applicable”.

Services	Summary

**Program Component: Postsecondary Preparation and Enrollment**

**Description:** Providing support and guidance to students as they navigate the complexities of the postsecondary process and ensuring a smooth transition to postsecondary and/or workforce development opportunities.

- **Services:** List the programming and strategies provided to support this component.
- **Summary:** Please provide a summary that includes the service delivered, the metric used to track progress, and the outcome.
  - If the program fulfills this component through a partnership, please detail the partnership and the support provided.
  - If the program is not providing (or partnering) support for this program component, please note it as “non-applicable”.

Services	Summary

**Novell or Innovative Support Services (optional)**

**Description:** Innovative programs and promising practices that create pathways to postsecondary success and guide future program development. These strategies may not align directly with the main program components, but there is a compelling rationale for their effectiveness in supporting postsecondary enrollment.

- **Services:** List the programming and strategies provided to support this component.
- **Summary:** Please provide a summary that includes the service delivered, the metric used to track progress, and the outcome.
